

THE ALBERT BROWN RUN

5th JULY 2009

Organised by the Bedfordshire Section of the VMCC

Entrants Information.

Due to the current low entry, (10 as of the 24th June) I have decided to change the format of the run to minimise costs and the risk of a significant deficit. There will be no run plaque this year as the metal shields would have cost £6.50 each (£2.40 each in 2006) and on top of this we would have to add the wooden bases so they would have come out around £8.00 each. We will not be running from Stony Stratford down to Redbourne as this would have involved a buffet lunch away from base for the catering team which incurs additional cost. The revised programme is given below. If this revision does not suit any of the enrolled riders please let me know in advance and I will arrange a refund.

This year's run will now start and finish at The Milton Keynes Museum, McConnell Drive, Wolverton, Milton Keynes MK12 5EL. McConnell Drive is off Millers Way, see map on reverse for location.

Riders should assemble in the Museum car park from 10.00am onwards. Entrants' signatures are required at the start and finish of both the morning and afternoon runs. Please bring your club membership cards along for signing on.

Tea and coffee will be provided at the start of the event.

The run will commence at 10.30am when Veteran machines will leave, all other classes leaving at 11.00am. A shorter Veteran route will be available and participants will all meet for lunch at the Cranfield University Social Club.

We plan to leave for the afternoon run at 2.00pm and anticipate being back at Milton Keynes Museum for refreshments around 3.30pm with the award of the trophies at 4.00pm.
